## PROFESSIONAL EXPERIENCE

**Finance & Accounting Intern**, Xactus, Broomall, PA

June 2022 – July 2022

- Built a sales forecast model able to accurately predict end of month sales within 0.5% that helped identify a \$500k error at close
- Analyzed past and current sales figures to identify lost customers and revenues while collaborating with sales team to understand anomalies
- Reviewed past employment data and volumes to compare ratios in each department to project expected staffing levels for future volumes

**Outside Services Attendant**, McDowell Mountain Golf Club, Scottsdale, AZ

September 2020 – December 2020

- Anticipated and fulfilled customer needs in a variety of responsibilities as assigned which included work in/outside cart barn, practice range, starting and ranger duties
- Recorded and coordinated arrivals with starters and golf shop to ensure on-schedule course operation
- Staged, parked and cleaned carts and maintained staging area, cart barn, and practice area set-up

**Quality Control Representative**, Universal Credit Services, Broomall, PA

June 2019 – August 2019

- Cross-checked lists of completed Verification of Employment (VOE) reports each month (350+) and confirmed the veracity of the data entered on reports with information in a database
- Compiled department performance data into Excel
- Communicated any errors to authors and supervisors

## LEADERSHIP EXPERIENCE & ACTIVITIES

**President**, Video Production Club, Episcopal Academy

September 2017 – May 2019
